

*PETITION to Improve Express Service for
Grafton, Westborough, Southborough, and Ashland*

Go to **FramWorMBTA.weebly.com** to read more about a petition to:

- Increase inbound express service for stations between Worcester & Framingham with only minor changes to service to other stations
- Eliminate the inbound “Bullet” train and reallocate that equipment to better serve everyone between Worcester & Newton

*In October 2015, Lieutenant Governor Karyn Polito announced “two additional zone express trains” for west of Framingham commuters. However, when the public comments period for that schedule was completed, those proposed zone expresses vanished. West of Framingham commuters need to **SPEAK UP** to re-implement Lieutenant Governor Polito’s proposed improvements for express service.*

As illustrated to the right and outlined at

www.FramWorMBTA.weebly.com,

a new draft schedule for the Framingham/Worcester Commuter Rail has been developed – using existing equipment and service intervals – and you must help get it implemented by signing the petition.
